**TALL SHIPS**  
PHILADELPHIA - CAMDEN  
WHERE AMERICA SET SAIL

Tall Ships Philadelphia Camden Delaware River will bring many tall ships to the Philadelphia PA and Camden NJ waterfronts. Pictorials have been requested. One will be in Camden humoring the French replica H'Ermione, which brought the Marquis de Lafayette to America to help with the war Great Britain was waging against "the colonies".

## USCS National Convention

Is just days away. Possibly I will see you there? Will also be at NJ Chapter meeting Tuesday evening. Gotta linger up the fingers for the cover boxes in Portland.
