HAPPY NEW YEAR 2021

Deposit Balance: _____

A few notes. I'll be off to Florida until the end of February. I do intend to return for several days near the end of January so if you write I'll get your mail when I come back north.

As most are probably aware Foster Miller has volunteered to handle the pictorial postmarks for naval covers beginning with the first of the year. Foster is a prominent figure in the First Day cover field and knows his way around the postal service and I know he will do a great job with the pictorials. Several designs are already complete, created by Wolfgang Hechler. He will be working with Foster with the designs.
