

## USCS Log 1998 Index

This Index lists items of permanent or long term reference from Volume 65, # 1-12 of the USCS Log. Items are listed by subject and author for regular monthly features. Items which may be located in other USCS reference material, such as Data Sheets and the *Catalog of United States Naval Postmarks* or which are available in reference texts such as the *United States Naval Institute Almanac of Naval Facts* are not included. USS & USCG are eliminated with ship/cutter names for simplicity.

## USCS Log 1999 Index

This Index lists items of permanent or long term reference from Volume 66, # 1-12 of the USCS Log. Items are listed by subject and author for regular monthly features. Items of merely transient interest or those which may be located in other USCS reference material, such as Data Sheets and the *Catalog of United States Naval Postmarks* or which are available in reference texts such as the United States Naval Institute *Almanac of Naval Facts* are not included. USS & USCG are eliminated with ship/cutter names for simplicity.
