Universal Ship Cancellation Society
A Navy, Society and Hobby – second to none!!

The Universal Ship Cancellation Society is one of the oldest national philatelic organizations in the United States. Founded in 1932, the USCS is composed of members in interested in Naval, Maritime, and Coast Guard history, ship cancels, cachets, and other naval memorabilia. The USCS has members in the 50 states and in a dozen countries overseas, and has chapters in many of the more populous areas, and on Facebook.

Our monthly full-color LOG features great articles, news, auctions, and cachet covers for sale. The USCS also offers a sales circuit, and data sheets with specialized information on a variety of subjects. Members are also able to purchase various catalogs and publications at discounted prices—included is the Catalog of U.S. Naval Postmarks, and the compendium Naval Cachet Makers Catalog. Publications are usually available in printed format, or electronically as a download. The USCS is the only active naval cover society – do yourself a favor and join the nearly 800 other members in this exciting specialized collecting area.
